### 2018 EVENT CALENDAR

Dear Parents and Carers,

Thank you to all our families that supported the swim scheme over the last few weeks. Teachers and students had a wonderful time and we have received lots of positive feedback on the program. A big thank you to Mr Admaou and Mrs Meliss for their organisation for a whole school program.

The end of term brings with it many events and opportunities for our families to join us in the celebrations of our school, students and staff. We ask you to set the following dates aside on your calendar;

K-2 Presentation Day	17/12/18
3-6 Presentation Day	18/12/18
Last Day of school	19/12/18

### Extra Curricular activities

I extend my sincere gratitude to the teachers that have volunteered throughout the year to run the after school activities. It has been a huge success with every program filled. It is a clear indication of our community needs and we hope that we will be able to offer this in 2019 to support our families.

### School Choir

This last week I had the pleasure of seeing our wonderful school choir perform for the City of Sydney Christmas festivities. They did an outstanding job in representing our school. A big thank you to Mr Rueger and Ms Murray for their dedication and enthusiasm in organising this event for our students. The next performance outside of school: The Cannery Roseberry on Sunday 16 December at 11am.

### School Fees/ Payments

We ask that you please finalise any outstanding payments you have with the school. These payments assist us in running the programs. If payments are not finalised the school ends up having to cover the cost taking away the opportunity for us to dedicate our funds to much needed resources for our students and school. Please finalise ASAP.

## SMOOSH WON the award !!!

South Eastern Community Connect has been announced as the overall winner in the Excellence in **Education and Child Services** category of the inaugural Bayside Business Awards, held at Stamford Plaza Sydney Airport.

Bayside Council partnered with the Bayside Business Enterprise Centre (BPEC) to recognise local businesses that have excelled in their field and made a positive contribution towards making Bayside a dynamic and economically vibrant place to live, work and shop.

To ensure the awards process was delivered credibly and transparently, Bayside Council engaged ACA Research to accept the award nominations and conduct the judging process. The award is a fantastic recognition of the SMOOSH services delivered and wishes to extend its thanks and gratitude to SMOOSH Families and the extended community for their ongoing support of our service.

## Seniors Program– (Year 5 and 6)

SMOOSH aims to meet the broad range of each child's social, emotional, recreational, physical, intellectual and creative outside school hours needs. We are aware of the differing needs of "older SMOOSH" children and program accordingly. A new seniors program was successfully trialled out this term involving the year 5 and 6 students. This program entailed these children going on walking excursions to local places like Manhattan bowling, Sky Zone, Messina, Ole etc. with educators. This helped to foster positive self-esteem and meet the individual needs of children as children actively contributed to the program by suggesting the activities and paid for the activities themselves.

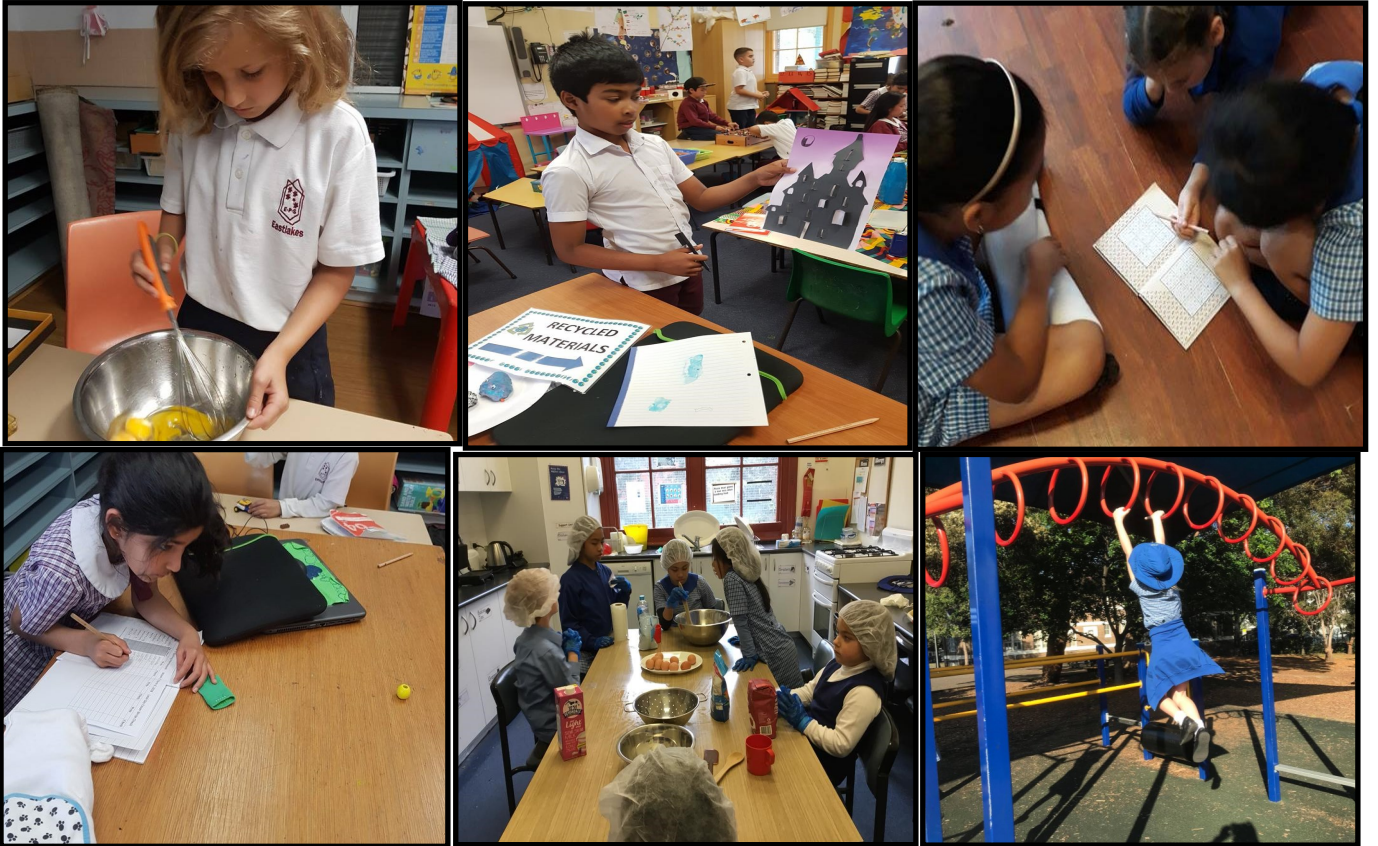

## Sun smart

Our Sun Smart policy requires children to wear broad brimmed hats at all times when outdoors. We supply sunscreen for the use of children at the program, however children are able to bring their own if preferred. Our program includes outdoor activities. Please ensure that your children arrive with sunscreen applied and that clothing is Sun Smart, covering shoulders, back and upper arms. Please dress them in clothes that will allow them to participate in active and messy play, but also provide good sun protection. Shoes should be secure fitting on the foot eg, sandals or runners that enable them to run and climb without slipping. Thongs are not suitable. Please remember hats and drink bottles every day.

We are committed to sun safety & health.

# SMOOSH Curriculum

## Sustainability

Sustainability is a continuous part of the SMOOSH curriculum and we strive to teach and encourage children to be environmentally friendly .

- Composting: we encourage children to use the compost and assist us in making sure food scraps are put into the compost when possible.
- Children assist by helping stir the compost, water the gardens, plant and pick fruit and veggies and sell the produce to families.
- Children assist in looking after/feeding the chickens and selling the eggs
- We keep the lights off when natural light is sufficient
- We open doors and windows for natural ventilation and cooling
- We have bench top compost bin at afternoon tea time for food scraps to go into (for composting in the main composting bins outside).
- We collect food scraps and other compost material from the local shops (eg bird shop)
- Children have a recycled materials box which they can access at any time for art and craft and any projects
- We encourage children to use recycled paper for paper planes and other paper craft.
- We encourage children to take only 1 paper towel to dry their hands after washing.
- We encourage children to turn off taps when not in use.
- We often use spontaneous conversations to discuss caring for the environment, and how we can be sustainable.

## Daily Evaluation /Documentation

Our daily evaluation documentation book is located on the sign in/out desk. There are photos and reflections of what your children have been up to at SMOOSH.

All our program activities are linked with My Time, Our Place Framework Outcomes for children.

Outcome 1: Children have a strong sense of identity

Outcome 2: Children are connected with and contribute to their world

Outcome 3: Children have a strong sense of wellbeing

Outcome 4: Children are confident and involved learners

Outcome 5: Children are effective communicators

Adhering to the framework ensures that we are able to provide children with opportunities to maximise their potential and develop a foundation for future success in life.

## Notification of absence

It is critical to let us know if your child will not be attending in the afternoon so that we can accurately account for children's whereabouts and ensure their safety. If your picking your child up directly from school or if they are unwell please notify us.

## Keeping special toys & iPad safe

It is important for children to learn how to keep their belongings safe, respect the property of others and understand the consequence of not returning their belongings to their bag. Where possible please discourage your children from bringing 'precious' items to SMOOSH. We understand that some children need iPads and other electronic devices at school and appreciate these are expensive, fragile items. Please remind children that iPads and electronic devices should be handed in and collected from the SMOOSH Educators each day. This will help to minimise the risk of damage or loss of these items while at SMOOSH. Please remember that SMOOSH cannot take responsibility for lost or damaged items.

## Label your belongings:

Please label everything that comes to Vacation Care. At the end of the holiday program there is always a large amount of lost property, much of this is never collected & is donated to charity. If your child has lost an item please check the lost property box, located outside the SMOOSH room.

## Cultural Experiences

We would like your help with teaching the children about all the wonderful cultures of the world. We try to make cultural presentations as interesting and informative as possible! We want to know about your culture, your experiences and performances!

If you have any cultural stories, performances, music, special foods you would like to share we would love to hear from you!

### **How long have you worked at SMOOSH and what inspired you to get into Outside of School Hours Care?**

I started working at SMOOSH from late November 2015. Working with and helping children has always been a passion. I feel that making a positive impact on children is a highly rewarding experience.

### **What is your favourite part of day at the Centre?**

Afternoon tea is the most enjoyable part of the day because get to interact with most children at one place and hopefully teach or discuss a few things.

### **What do you remember about your first day at SMOOSH?**

The most memorable thing about my first day was the amount of children who helped me learn SMOOSH's daily routine and remember everyone's names.

### **What is the funniest thing a child at SMOOSH has ever said and how did you react?**

One time I asked a child how to make ice-cream. At first he said to mix milk and sugar and cream, but then she said you have to "cook" it. I smirked and said "are you SURE"? And then later she laughed and said you have to freeze it.

## OAT SLICE

### **Equipment**

- 1 bowl
- 1 lamington pan
- 1 saucepan

### **Ingredients**

- 1 cup oats
- 1 cup sultanas optional
- 1/2 cup sugar
- 1/2 cup self-raising flour
- 1/2 cup coconut
- 125 g margarine
- 2 tbs honey

### **Method**

STEP 1 : Melt margarine and honey together in saucepan.

STEP 2: Mix dry ingredients in a bowl then add melted margarine and honey.

STEP 3 Mix well and spread in a lamington pan.

STEP 4: Bake in at 180C for 10-15 minutes.

STEP 5 Cut into squares or bars while still warm.

### **Notes**

Sultanas optional. Can add other cereal such as All Bran instead of sultanas. Great for the lunchbox. The original recipe asked for around 140 g of margarine - this does work better but I cut it down to slightly lower fat content.

We aim to practice sustainability in all aspects across our operation and program.

## MY TIME OUR PLACE

'MY TIME, OUR PLACE' OUTCOMES!

In December 2009, all Australian Governments agreed to a new National Quality Framework for Early Childhood Education and Care. This means that all Australian children, regardless of their location will get the best possible start in life through high quality early childhood education and care and school age care services. Outside School Age Care services became included in the scope of this National Quality Framework from 1 January 2012.

Outside School Age Care service now operate under a new National Law and Regulations, and National Quality Standards. 'My Time, Our Place' - Framework for School Age Care in Australia is a key component of this National Quality Framework.

The vision of 'My Time, Our Place' is for all children to feel safe and have enjoyable experiences. It will guide educators to provide play and leisure-based experiences that are engaging and building foundations for life-long learning.

Through the five learning goals, educators will assist your child to develop:

1. A strong sense of their identity
2. Connections with their world
3. A strong sense of wellbeing
4. Confidence and involvement in their learning
5. Effective communication skills

While the Vacation Care activities and experiences have been intentionally planned to promote the learning goals of 'My Time, Our Place', the program is also designed to be flexible and allow your children to have fun!

Refunds or credits will not be issued if you cancel. Once your child has reached 42 allowable absence days, parents have to pay full fees. Fees are due for your child/children even if sick or absent once you book the program. CCB is paid up to only 42 allowable absence days for each child per financial year. Please let us know if there are any changes to your address, phone numbers, or other information. Please note: Parents are not allowed to swap the day with other families or within the family.

# SCHOOL HOLIDAY PROGRAM

## JANUARY 2019

### Stop, Think, Do (6-8yrs, 9-11yrs)

Location: Peakhurst, Maroubra, Bella Vista & Liverpool (Check timetable for details)

\$225

### Take Action (8-12yrs)

Children are taught a range of strategies via a 6-step ACTION plan. Each letter in the word ACTION stands for a skill children learn. This is a program which provides children with clear, practical skills to manage anxiety and improve their social and life skills. ### PALS Social Skills Program (4-6yrs)

The early school years are when children start to make friends, learn to cooperate with others and begin to solve social problems. Like all skills, some children develop social skills more easily than others. Social skills are of the utmost importance for every child's future development.

Location: Peakhurst (Check timetable for details)

\$225

### Handsome Handwriting

(Yrs 1-2)

This 2 day program helps children develop their handwriting skills in a fun and supportive environment. We will focus on developing the skills that support handwriting (e.g. self regulation, gross motor, fine motor and visual motor skills) as well as developing fluent handwriting skills.

Location: Maroubra (Check timetable for details)

### Moving on and Up

(Year 6 only 2018)

This program is for students transitioning to high school. It has a focus on organisational skills, travel planning, problem solving, study skills, making friends, and dealing with new technologies safely. Teaching and learning activities will focus on skills that are imperative to success at high school – knowing how to study, use the computer, plan for assignments, and ask for help.

## What is it?

Positive Behaviour for Learning (PBL) is a strength based proactive approach building the capacity of schools to create a positive learning environment. This learning environment enhances wellbeing and academic achievement of ALL students in ALL school settings. GPRS has been a PBL school for almost 10 years!

## School expectations

**Be Safe**

**Be Respectful**

**Be a Learner**

These learning expectations apply in all learning and play spaces at Gardeners Road.

## Traffic Light System

Every classroom at GRPS has a G-Force Traffic Light poster. This may be used as a way to reward all students who are displaying the Safe, Respectful, Learner expectations or as a way to remind students that they're 'flying in the wrong direction'. Safe, Respectful Learners are 'G-Force Hero' ready! Once they achieve above the hero status they may then be rewarded a sticker to put on their chart...

## Sticker Charts

Every classroom at GRPS has the G-Force Reward System. This reward system is Each student starts on a Bronze G-Force Card, when they have achieved 30 G-force stickers they are rewarded at whole school assemblies and move up to the Silver G-Force Level and then onto the Gold G-

## Focus of the Fortnight

In addition to a whole school reward system, a PBL focus is introduced every fortnight. Lessons are devised and taught to all students that address the whole school focus. Students are rewarded for displaying these expected behaviours with a raffle ticket. Raffle tickets are collected fortnightly and the raffle is drawn at the K-6 whole school assembly. The winning students are rewarded with a school canteen voucher.

This fortnight the focus of the fortnight is:

***We listen and participate respectfully during all assemblies.***
